During the period under report 12 references were received regarding framing and amendment of various Recruitment Rules/ Service Rules. All cases were examined and advice of the Commission was conveyed to the Government.

5. CONSULTATION OF THE COMMISSION ON IMPOSITION OF PENALTIES ON GOVERNMENT SERVANTS :

As enumerated in sub Clause 'C' of Clause 3 of Article 320 of the Constitution of India, the Commission is to be consulted on matters regarding imposition of penalties on Government Servants. The Commission was consulted on 5 occasions and the Commission after examining the cases conveyed its views on 5 cases, to the Government.

6. APPOINTMENT MADE WITHOUT CONSULTATION OF THE COMMISSION :

It is appreciated that no instances have been found where regular appointments are made without consulting the Commission during the entire period under report.

7. COURT CASES :

The decisions of the Commission were challenged on 3 occasions and were finalised during this year.

8. APPOINTMENT MADE UNDER REGULATION 3(e)/(f) OF MIZORAM PUBLIC SERVICE COMMISSION (LIMITATION OF FUNCTIONS) REGULATIONS, 1994.

Since its inception, the Mizoram Public Service Commission has been processing cases of recruitments without any delay and therefore, there is no justified ground for Government to resort to Adhoc appointment under Regulation 3 (e)/(f) of Mizoram Public Service Commission (Limitation of Functions) Regulations, 1994.

It may, however, be mentioned that some Departments, in spite of being aware of the fact that the vacancies were likely to be occurred for more than six months, did not take trouble to refer the cases to the Commission before expiry of the stipulated period i.e. 30 days from issue of such appointment orders. The Commission would, therefore, like to urge the Government to comply such provisions. In case of any deviations to the provision of the rules due unavoidable reasons, the reasons thereof may be conveyed to the Commission.

The considered opinion of the Commission on this matter is that, no adhoc appointment should be made at all, since such kind of appointment more often than not, leads to complications to the person concerned as well as to the Government and the Commission. It is appreciated that the Commission have no knowledge of any such appointment made during the year under report.

9. Another matter needing urgent attention is the system of recording the Annual Confidential Report. While some

Departments have certain objective formats for recording such reports, many others use uniform and very subjective type of forms with the result that at the time of scrutiny by the D.P.C. or the Commission for selection of candidates for promotion, the reports fails to bring out properly the quality of the Officers reported upon. Hence, it is necessary to work out different types of formats which are required for different Department/Services. Besides, it has been observed that due application of mind at the time of recording of such report by concerned authorities is, in most cases, wanting in respect of Reporting, Reviewing and Accepting authorities of the A.C.R.s. The Commission would, therefore, like to advise the Government to take educative measures like Training, Seminars, Workshops etc. through which all Officers involved in recording A.C.R.s may be properly educated. The Commission would also like to advise the Government that completion of writing of ACR by all concerned authorities is ensured within the stipulated time as per existing Government instructions.

10. The Commission, since its inception made special efforts to reduce the time taken in various selection procedures and for this purpose, undertook Examination and effected improvement of its system and procedures. While these efforts have resulted in final disposal of cases referred to the Commission within short period of time and also reduction in number of pending cases, it has also brought to light the fact that most of the Departments, while sending proposals to the Commission, used to furnish requisite documents in piece-meal manner in spite of the fact that the Commission had issued clear guidelines in this respect. Incomplete reference to the Commission not only leads to unnecessary correspondences, but also results in wastage of time and energy. It appears that the guidelines issued by the Commission have not been taken notice of by some Departments as there continues to be many incomplete proposals. The Commission feel that finalisation

of cases sent to the Commission can further be speeded up if officials in the Government Departments take more care to ensure that all the required papers and records are in the proposal while referring cases to the Commission.

11. Since efficiency of Government servants generally depends on the quality of the personnel selected, the Commission have always been striving to ensure selection of persons of high calibre through a fair and objective selection process. The criteria, procedure and methods of selections are being constantly reviewed for securing the best talents available.

12. Review of cadre strength of various post under Mizoram Public Service Commission.

According to the provision of sub clause(b) of Article 318 of the constitution of India, the power to make provisions with respect to the number of members of the staff of the Commission and their conditions of service is vested in the Governor of the State. The present various post under the Commission were created in the year 1987 and since then, no cadre review have been done.

At the time of creating various posts in 1987, posts like Controller of Examination, Deputy Controller of Examination etc. to deal with the Examination Wing were not perceived. Since the main duty of the Commission is to conduct Examination for recruitment to the State Service, creation of the above mentioned posts are considered a necessity by the Commission. The present posts in the Commission were created in 1987 and the Commission started functioning in May 1991. Since then almost sixteen years have elapsed and thus the Commission feels that review of cadre strength of the various posts under MPSC be done for which the Commission approaches/requests the Government to take appropriate action in this regard.

AMENDMENT OF OF THE MIZORAM PUBLIC SERVICE
COMMISSION (CONDITION OF SERVICE) REGULATION

The Governor of Mizoram issued amendment to the Mizoram Public Service Commission (Condition of Service) Regulation called the Mizoram Public Service Commission (Condition of Service) (sixth Amendment) Regulations, 2006.

Copy of the Amended Regulation may be seen at
